L020

Security Alarm System

Intuitive Operation

Simply plug in the power and Ethernet/LAN cables, download the free iOS or Android app, add and pair wireless sensors or accessories, and you go out to play with complete peace of mind!

On Guard 24/7

smanos L020 works around the clock and stays vigilant at all times without dozing off. Its backup battery ensures 15 hours of extra vigilance in the event of power outage or sabotage.

Digital Scarecrow

When smanos L020 is triggered, it goes off loud, formidably so. The system will also send you push notifications in real time, so you are always in the know no matter where you are.
